

MEDICAL STAFFING

Solutions to fluctuations in your patient census.

We understand that hiring and retaining qualified personnel is time consuming and expensive. Let Arcadia lower your recruitment, hiring and orientation costs.

Arcadia can provide you with highly skilled professionals when and where you need them. We are ready to provide you with one capable individual or an entire team.

All employees must meet Arcadia's rigorous standards before they are hired.

- Settings or disciplines
- Minimum of one year of experience in their specific area
- Criminal background check and drug screening, as appropriate
- Successful completion of a written qualifying examination
- Comprehensive orientation and compliance with Arcadia's code of ethics, professional standards, policies and procedures
- Reference screening and verification

We can help you evaluate your human resource needs.

Helping people stay at home & healthier longer
