

The Arcadia Advantage:

A tradition of quality and dependability.

Formed in 1978, Arcadia has earned a nationwide reputation as a leading provider of high-quality health care services. With offices across the United States, Arcadia's growing product offerings include home care services, medical and non-medical staffing, respiratory and durable medical equipment, a full-service mail-order pharmacy, and consumer-direct operations that include retail-based health clinics, home health care retail centers, and a mail-order catalogue and website, www.arcadiahomehealth.com.

Travel Professionals:

Together, we work

providing the best health care professionals.

BESTAFF
ARCADIA

Together, we find the right professional.

Bestaff Arcadia matches your health care industry needs with the skills and objectives of our professional health care team. We work hard to find the best professionals in their areas of expertise. Ensuring a perfect fit for your business is our business.

Together, we're flexible.

Whether you need one person or an entire unit, Bestaff Arcadia works with you to provide the professionals you need, when you need them, where you need them.

Client assignments can be in a variety of specialties including intensive care, emergency room, pediatric, surgical, cardiac, labor and delivery, OB/GYN, psychiatric, geriatric, oncology, and more. Assignments can be tailored to meet your specific requirements. Our travel professionals have the flexibility to meet your needs, quickly and successfully. Bestaff Arcadia provides dependable, skilled professionals to fill these positions:

- Registered Nurses
- Nurse Practitioners
- Physical Therapists
- Respiratory Therapists
- Licensed Practical Nurses
- Physician's Assistants
- Occupational Therapists

Together, we're responsive.

Our experienced placement specialists focus on client satisfaction and customer service. We understand the intricacies and variety of health care staffing needs.

We work closely with you to ensure that we provide the right professional to meet your particular needs. We also understand the challenges in managing health care operations and respond quickly and effectively to travel staffing requests.

Together, we're dependable.

We are selective in our hiring process. Bestaff Arcadia's health care professionals are fully screened and qualified prior to being placed with your facility. We also work with you to ensure that our professionals meet your specific position criteria and requirements.

Our travel professionals receive continuing education and clinical skills development that enhance their knowledge and ability. We provide a variety of benefit and recognition programs, as well as numerous opportunities for career growth, to ensure employee satisfaction and retention.

Together, we're supportive.

We support our traveling workforce through highly qualified specialists who assist our travel professionals with an array of services. Our unique benefits package includes private furnished housing arrangements, travel arrangements, per diem expenses and more. We take care of our employees so they can take care of you.

Our state-of-the-art technology allows us to effectively and efficiently manage employee and client information as well as payroll and accounting records.

Let's work together.

Bestaff Arcadia travel professionals can help you maintain your continuity of care by providing the personnel to address your changing business environment.
